

Oakwood Students Take to the Trot

Twenty students from Oakwood Elementary School ran in the recent Turkey Trot—the largest number ever to represent the school at the annual event. The student runners, in grades 2 through 5, are also members of the Oakwood Running Club. The Turkey Trot is a 5K, which is equal to 3.1 miles.

Sponsored by the Hickory YMCA, the Turkey Trot provided the Oakwood runners with another opportunity to participate in a physical challenge. The Oakwood runners were also joined by family members and school representatives.
