

# Week in Review

November 13, 2015

*“A snapshot of HPS good news”*

Students participating in the Teen Up Program at Hickory Career & Arts Magnet High School honored Veterans of the U.S. Armed Forces for Veterans Day. To make the tribute even more special, the students focused on honoring the homeless veterans who eat meals at the Hickory Soup Kitchen. Each of the ten girls in the program made personalized cards to reflect their appreciation of the Veterans' service to the United States. The students also made decorations to brighten the Soup Kitchen.

The group actually visited the Soup Kitchen on the eve of the special day—placing the patriotic décor and cards just in time for the arrival of the Veterans.
