

Earn cash for our school,  
just by shopping! There are  
several ways YOU can help...

**Box Tops for Education** are found on a variety of products. We earn 10¢ for each Box Top saved. Last year we collected over **\$923** worth of Box Tops!! With your help, this year we will raise even *more* free money!

Each grade level will receive \$4 for every 100 box tops collected! They can use this for grade level projects and supplies. The rest of the money raised goes to support Southwest's Student Council and other school-wide projects.
