

Jenkins Elementary PTA
Board Meeting
11/1/11

Attendance: K. Stober, E. Hollenack, R. Lineberger, B. Cochrane, J. Correll, N. Bledsoe, Mrs. Ashley, and C. Snyder

Motion to accept minutes by E. Hollenack; 2nd from B. Cochrane.

Fall Fundraiser Update:

Nancy Bledsoe reported on the fall fundraiser. Truck will be here on 11/3 to unload. Sales are coming in around \$16,000 plus an additional \$600 of internet sales. Bounce house day went well. Nancy expressed concerns about too many fundraisers/requests for donations going at one time. She requested and the board discussed the possibility to "map" all fundraisers on one schedule to avoid this in the future – including Student Council events. Overlapping of fundraisers is not permitted by the policies that are currently in place at Jenkins.

Budget: Roxanne reviewed the updated month-to-date report. Roxanne reported that the fall festival was another huge success. Looks like total of \$10,800 was made on the festival and silent auction with the bulk of the fundraising from the silent auction. This is above our budgeted amount of \$8,000.

Principal's update:

Mrs. Dischiavi was unable to attend. No report.

New Business:

Playground update was given by E. Hollenack. Two vendors have met with her so far. Looks like the approx. cost will exceed \$20,000 plus. A smaller pre-K area could be purchased for approx. \$5,000. There was discussion to use JEST funds to build the new playground fund up. She will explore information on pre-K grant that was received. Teacher appreciation luncheon will be held on Nov. 18. School Mall – similar to Furtal – was discussed as another possible fundraiser. Also, Clater Kaye Theatre has offered to donate \$1 from each ticket to school if we are willing to promote.

Next meeting will be held December 6, 2011 – rescheduled to December 12, 2011.
Meeting adjourned at 10:45am.

Respectfully submitted,

Constance Snyder
